# St Joseph's Primary School

## Message From Mrs Reilly...

Dear Parents/Carers,

I'd like to share with the whole school community the words I spoke at our Opening School Mass.

I'd like to begin by drawing your attention to our school motto "Learning without limits"

What is it telling us?

It is challenging us to knock down the barriers and the obstacles, to stop the excuses, to work together and to strive for excellence in learning – excellence without limits.

What does this excellence in learning look like? It's not just about reading, writing, spelling, number, adding, subtracting, multiplying and all the other areas of the curriculum we cover. It's not just about reading levels, MAI results and NAPLAN results.

It's about learning about the specialness of each and every child in our school community. It's about learning about where they are and finding a way to move them towards greater excellence. It's about teachers and parents learning from each other to strive for this shared outcome.

It's about not limiting these children to just being vessels of information but guiding them to be 21<sup>st</sup> century learners who are independent, self-regulated learners, who challenge, problem solve, think critically, make connections and work collaboratively with their classmates.

If we together, can dream of a future without limits for these children here today - just think of the possibilities. Think about our kindy children – just beginning their time here at St Josephs. Looking 7 years into the future – what is our dream for them?

I challenge all of you here, I challenge myself, to make 2017 the year where we not only dream about learning without limits but we work hard, work strategically and most importantly work together to reach to the sky for each child at St Joseph's.

Mrs Trish Reilly

## Photo Permission

From time to time photos and/or videos footage of your child will be taken at school and school events. These photos may be used in the school newsletter, diocesan newsletter, brochures, advertising, newspaper, website or publications and video footage. If you do not wish for your child/ren's photos to be taken and published, please advise the school office in writing.

## Child Protection

If parents are planning on assisting in the classroom, or on an excursion, they are required to first complete Child Protection Training. The training is undertaken over the internet at <http://childprotection.parra.catholic.edu.au/training> Simply click the training link under "Volunteer" to undertake the training. **This needs to be renewed every 2 years.**

**A reminder to all parents in our community- if you have an issue with another child in the school you must not directly approach the child. All issues must be addressed through either the class teacher or the school leadership team. This is for your own protection. Thank you.**

## Morning and Afternoon Procedures

### Morning procedures

All school gates will be locked until 8.20am when playground supervision begins. Parents dropping children at Joey's in the morning use the intercom at the gate. When children enter the playground we encourage them to walk quickly to their morning play area where there will be supervision. We ask that **parents leave the playground when the music begins to play** unless they are attending a morning liturgy.

Please show consideration to staff who need to attend meetings, prepare work for the day and organise resources before school. If parents wish to speak to their child's teacher please organise an appointment through the office. Teachers are happy to speak with you at a time that will not impact on their preparation for learning.

### Afternoon procedures

**Joey's After school Care:** At 3.00pm children going to after school care will assemble behind the Administration building where they will be counted and organised by the after school care personnel.

### Children being picked up by parents from the playground:

Children being picked up by parents, family members etc. from the playground can be collected by parents from the undercroft behind the Office. We ask that whilst you are waiting for your child to remain in that area on the silver picnic benches or in the shade.

### Kiss'n'Ride Children being picked up by car

Children who are being picked up by car will sit near the top gate. When they hear their family name called they will then walk to the gate and wait with the teacher who will assist them to enter their car. Parents are asked not to leave the car in this section to pick up children.

Any parents wishing to join Kiss'n'Ride will need to **display an A4 sign** with your **surname and first names of child/children** that will need to be **displayed as you approach the front of the line of cars**. This will allow teachers to call your child to the gate and ensure that they are ready to enter the car when you reach the front of the line. Kiss'n'Ride duty commences at 3pm and it finishes at 3.25. **Primary parents - Why don't you come at 3.15?**

### Safety at Kiss'n'Ride

If there is a line up of cars longer than the "No Parking" zone you **MUST** continue to drive around the block until there is room for you to join the line. Cars waiting in the middle of the road are blocking traffic and are standing illegally. Police and rangers are regularly called by residents who are concerned about safety.

**If we want to continue with Kiss'n'Ride we must obey road rules.**

## Nut Allergies

As you may or may not be aware there are a number of children attending our school who have nut allergies. This means that if these children come in contact with any nut products they will have a severe allergic reaction. We are asking that children refrain from bringing food to school that may contain nuts. (Nutella, Peanut Butter, Muesli bars etc.) We also ask that you remind your child/ren not share their lunch or any other food with another child.

## Catholic Schools Week

We will be holding tours of the school on **Sunday, 5th March from 10 am till 12noon**. Please invite family, friends and neighbours to come along and hear about the wonderful opportunities St. Joseph's offers.

We will also be running workshops for parents, grandparents, friends and neighbours to find out more about how to support students in their learning.
