Guided Reading

Guided Reading will begin this week. The purpose of guided reading is to give explicit reading instruction to a small group of (3-6) children.

The children will take this reader home in their Message Folder to read then with you. This reader must stay in the folder and come back to school every day.

The reader **must** be returned in order to receive a new reader.

A reading token will be given when readers are returned. These can be taken out of the folder and kept at

Guided reading will occur several times throughout the week for each child. So the children will be taking different readers home weekly.

If you have any questions, please contact us through the office or send a note in the reading folder.

Happy Reading!!
