The Children's Church Choir will be singing at St Joseph's All Schools Mass on Sunday, 19 June at 10:00am. Everyone is welcome to attend!

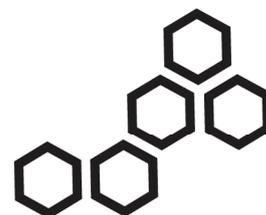

### Please remember ...

Kiss 'n Ride is a drop off zone only. Parents do not get out of their car. Simply pull up at the Kiss 'n Ride Zone, give your child/ren a kiss and then they depart the car and walk through the gate. If you wish to walk your child into the gate, you need to park in a parking zone (NOT Kiss 'n Ride or a No Stopping Zone), and then walk your child into school. Please remember that this is not simply a legal matter, but a protocol that needs to be followed to keep our children safe.

### Child Protection Training

If parents are planning on assisting in the classroom, or on an excursion, they are required to first complete Child Protection Training. The training is undertaken over the internet at <http://www.parra.catholic.edu.au/childprotection> . Simply click the training link under "Volunteer" to undertake the training. Once training is undertaken, complete the questionnaire, submit your details, and contact the school to advise that the training has been completed. A Prohibited Employment Form must also be completed. These can be obtained from the school office.

## Religious Education News

This coming Sunday celebrates the Feast of "Pentecost". Therefore, in our classrooms in the coming weeks the children from each grade will be learning about the coming of the Holy Spirit to the disciples on the day of "Pentecost" and how this applies to each of us today.

*"The scriptural readings for this coming Sunday's great feast brings out a key feature of the early Church's sense of being a community created, enlivened and equipped by the Spirit of God. The overall sense would be that the empowering Spirit, which rested solely upon Jesus during his own life, has now, been distributed among those who are now to carry on his mission – to Israel in first instance, to Judea and Samaria, and ultimately to the ends of the earth".*

*Fr Brendan Byrne SJ.*

As this week marks the final week of Easter, we pray that we too are 'a community created, enlivened and equipped by the Spirit of God' in our homes and workplaces.

### New Order of Mass

This coming weekend also marks the formal introduction of the new translation of the Order of Mass. By Advent this year, parishes across all English speaking countries will have implemented the new translation of the Roman Missal. Since the introduction of the translation into English in the late 1960's as part of the many changes brought about by the Second Vatican Council, there have been two subsequent translations to align the vernacular with the original text. The order in which Mass is celebrated has not changed, only the language used. At first this new language may be difficult to become accustomed to, but as time goes on we will become accustomed to the response. From June 15<sup>th</sup>, our Wednesday School/Parish Mass, we will have the new responses on the projector for all to follow.
