Volunteer Needed

We are seeking a "computer literate" volunteer to input the Woolworths vouchers on a one-off voluntary basis. If you are able to assist, please contact the school office ASAP as the data needs to be input no later than 1 November.

Head Lice

Head lice is the most commonly reported health complaint from parents and teachers. Head lice may be on the increase due to resistance to the common chemicals used in many head lice products, inappropriate use of treatments, and changing social and school practices.

While head lice are not known to carry disease, they do disturb parents and children. It is important that parents check their child(ren)'s hair and treat if needed in order to avoid further contamination. Please take the time today to check your child(ren)'s hair and ensure they are lice-free.

Captivate Choir Performance

We wish the Captivate Choir children every success in their performance tonight.

Invitation to Parent Thank You Supper

Invitations to the Parent Thank You Supper being held on 9 November will be sent home next week. Parents who have helped out with reading, sport, special activities, etc are invited to attend the Thank You Supper. If your invitation gets lost in transit, please contact the School Office.

The teams did well with all of them reaching quarter

State Athletics

Last week on Wednesday, 19 October, I walked to the train station and caught a train with my family. We went to Sydney Olympic Park where I did the 200m race and the long jump. When I got to the arena there were a lot of primary school kids from everywhere in NSW and they all wanted to win. My family were all cheering which helped me run fast. It was exciting and I had to win a lot of races and be a champion to go to state, I had a fun day.
