Term 4 Week 10

8th December 2015

Dear Parents/Carers,

We are fast approaching the end of a busy and successful year. Please join us for our Christmas Celebration on Tuesday, 15th December. We will be having a sausage sizzle at 6pm, followed by the concert at 7pm. Please complete the attached order form for the BBQ.

On Friday we farewell our Year 6 students with a special liturgy followed by a dinner dance in the evening. Good luck and best wishes to all our Year Six students as they continue their educational journey in secondary school. We also bid a fond farewell to some special parent helpers. Marianne Wilson, Tania Bunfield and Kylie Barron are long-term supporters of our school who have worked tirelessly over many years with multiple extra-curricular activities and successful fundraising. There are no words to express our gratitude for their extraordinary generosity in sharing their time, ideas, energy and talents. Thank you for everything ladies, you will be sorely missed.

This year we are saying goodbye to some members of staff. Mrs Kerryn Carter and Miss Eliza Treble will be taking twelve months leave. Both Eliza and Kerryn are long serving members of staff. We sincerely thank them for their dedication, enthusiasm, talent and energy over many years of quality teaching. We wish Mrs Carter and Miss Treble all the best for a successful and exciting 2016. Miss Jessica Maccarone and Miss Ereeny Abdelsayed will both be moving on to other teaching opportunities and experiences. Thanks to both Jessica and Ereeny for their hard work and support of our students in Years One and Four. We wish both ladies a bright and successful future. Mrs Monique Boyer will be returning to Corpus Christi. We sincerely thank Monique for her wonderful work in Year 6 and her time and energy as our acting Religious Education Coordinator. Liam Koutsoukos has been an invaluable support over the last two years, liaising with staff, students and families to keep our technology running smoothly. We wish Liam luck as he continues his career path in the IT industry.

Thank you to all members of our St Joseph's community for your ongoing participation and support throughout 2015. We wish all our families a safe and holy Christmas, filled with joy and family.

Dear Parents,

As we continue to prepare, during this season of Advent, for the coming of the Lord, Jesus Christ let us take time to reflect upon our actions and try to be the good Christian that Jesus showed us how to be. We don't need to be doing extraordinary things. We just need to be doing the ordinary things well.

May You Always

by Catherine Pulsifer

Faith, hope and charity
May we always have these
not just at Christmas time
but all the year throughout.

We tend to have more faith
More hope and charity
During, the season
But can we keep it always

May you always have
Something to hope for
Faith in something bigger than you
And, dreams that come true.

And may you always
Share with others
your blessings as a result
Of your hopes, faith, and dreams.

General News

Will you be leaving St Joseph's at the end of 2015?

We understand that family circumstances change and children sometimes need to change schools. If you know that you will not be attending St Joseph's in 2016, please advise Mrs Jackson and complete an Exit Form, available from the school office.

Please note, that concerns regarding financial difficulties **are not** a reason for seeking another school, as the Catholic Education Office and St Joseph's can and will assist families with meeting these costs when genuine financial difficulties arise.

Your guide to the Executive Director's Summer Reading Challenge

We all know the importance of reading for literacy development and the impact a prolonged break, like the Christmas holidays, can have on this advancement, particularly for vulnerable readers.

These summer holidays, I will once again be launching my Summer Reading Challenge and encouraging all students to read, read, read!

Students can read anything they like to enter the challenge, whether it's a comic, play, piece of poetry, book, e-book or graphic novel. This year we have made the challenge easier to enter by removing the minimum number of books to read and provided students with more chances of winning a prize.

How to enter:

It's simple! Students just need to read something they enjoy and tell us in 50 words or less why they loved it.

The more material a student reads, the more times they can enter the reading challenge and the more chances they have of winning one of four iPad minis.

Enter online

Entries open on 2 November 2015 and close at 5pm on 5 February 2016. Terms and Conditions can be found [here](#).
