Kindergarten

Mathematics

In week 4, kindergarten explored everyday 3D objects. They were able to sort the objects into groups using the features of the objects. They also explored which objects rolled, stacked or slid and why.

Literacy

In writing, Kindergartners have been writing imaginative texts about what they would see looking out the window. They can plan and talk about their message. They can stretch and record what they hear. They can reread their message to check it makes sense.

Joey Jumps

Kindergarten have been working hard to be safe, respectful learners in the classroom.

Joey Jump 2- Kindergarten celebrated their Joey Jump 2 by playing a game of silent ball in the classroom.

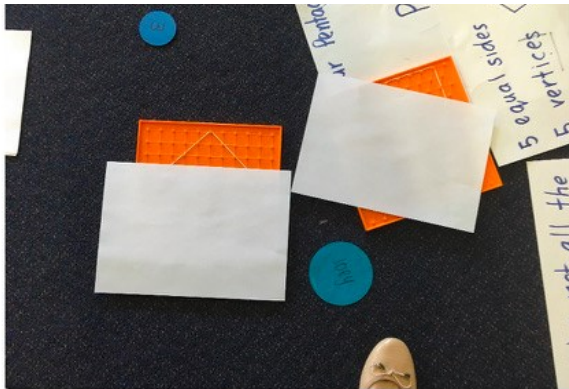

Joey Jump 3- Kindergarten celebrated Joey Jump 3 by using the left over 3D objects to create lots of new amazing things.

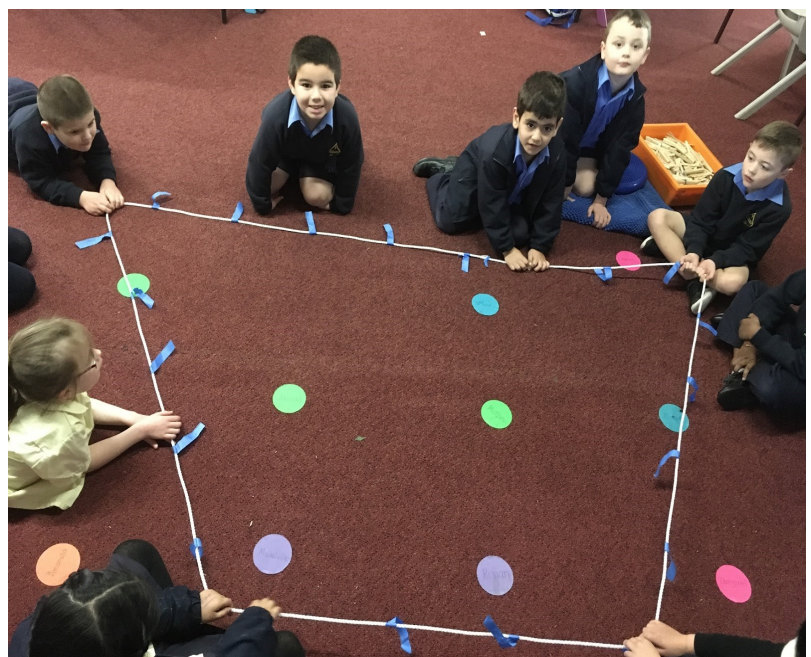

Year 1 Celebration of Learning

We have been learning about 2 Dimensional Shapes in Mathematics.

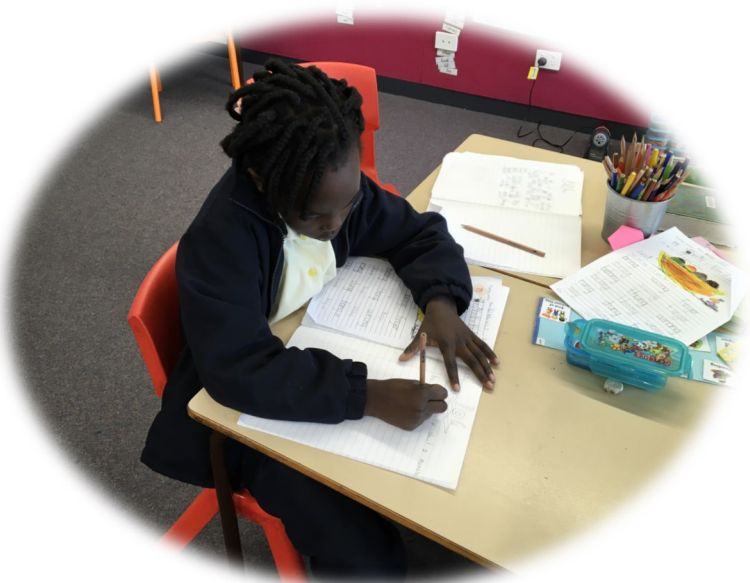

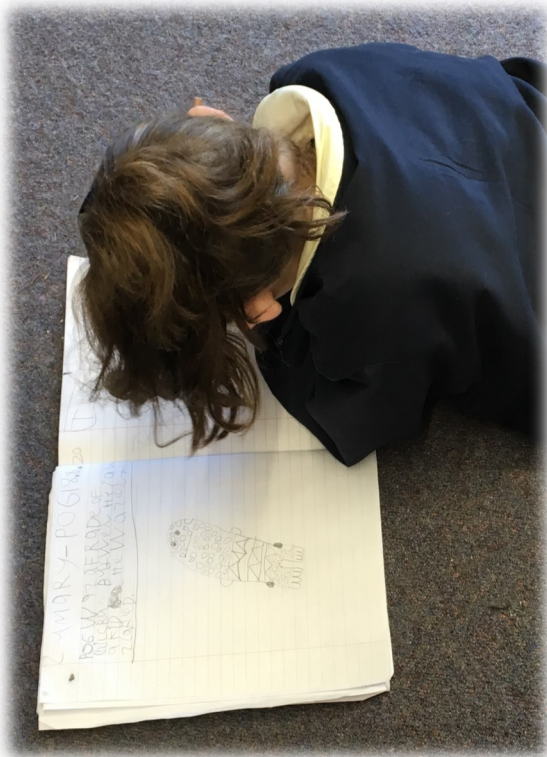

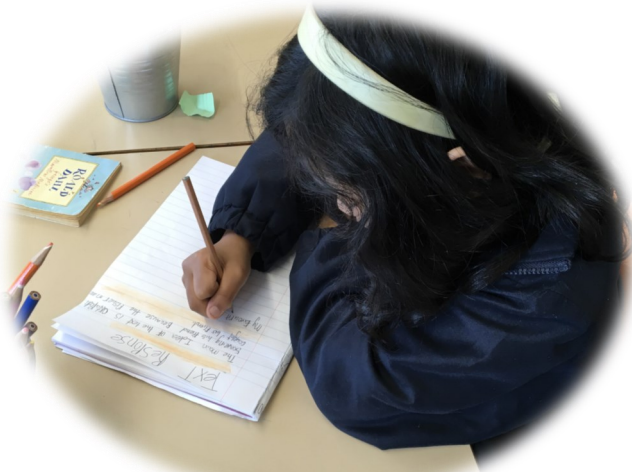

2D shapes!
Can you imagine
some different
2D shapes that
could be hiding?

Year 2

In Year 2, we are learning to be purposeful writers and to write a message with a purpose

Y E A R T H R E E

Religion in Year 3

Our Religion unit is
"Who Are Our Heroes?"
Father Andrew came to visit us to tell
about his heroes in the church.

We sometimes work in groups
discussing scripture stories.

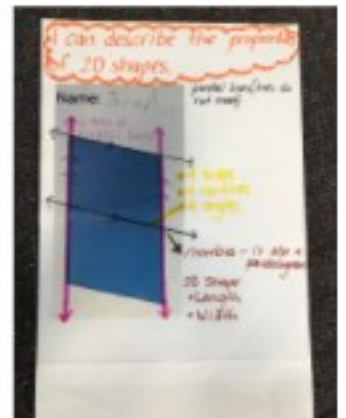

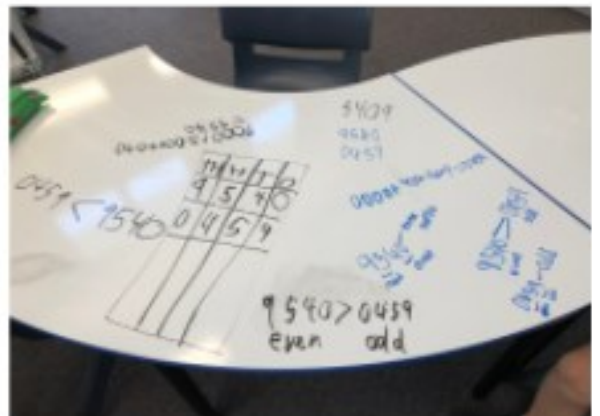

Year 4 has been working hard following the yellow brick road of learning.

We are enjoying our visits from Father Andrew.

We challenge ourselves by doing 'hard thinking' in Mathematics

year 5!

Year 5 Celebration of Learning
This Term in Year 5 we have been having lots of FUN!

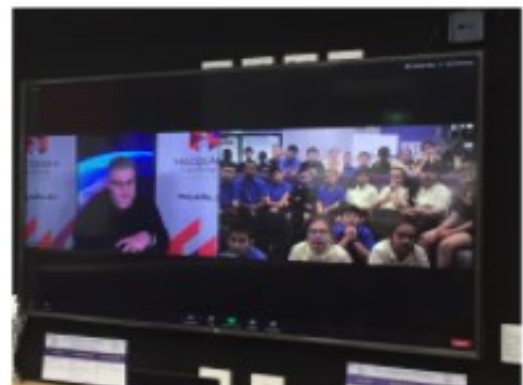

We have worked with Mrs Omakaro from CAPTIVATE to create an Afro Dance

We have also been learning that Poetry is relevant to us when Mrs McDonald showed us her rapping skills.

In Science we are working with the Australian Space Agency to determine where the best place for humans to live. We had a Zoom meeting with Tim who asked for our help

In Religion we are exploring our existential purpose in life

Year 6

Young Lasallians

On Friday 7th August Year 6 participated in a “Growing into Leadership” retreat. The morning was a great opportunity for the Stage Three students to learn about Mary Mackillop and the Josephite example of leadership.
