Message From Mrs Reilly...

Dear Parents/Caregivers,

Welcome back to Term 2. We've hit the ground running!!!

Our Staff Development Day was a great success. We explored our Mathematics data and how to teach more explicitly to meet the needs of the students. Our focus is on students' understanding of place value.

It was wonderful to be able to sing at our Easter liturgy. The children certainly enjoyed it as they prayed through song. Anzac Day was remembered with a very moving and reflective liturgy. The children all contributed to making their class wreath which was laid on our prayer focus. Thank you to the parents and friends who joined us for these liturgies.

We've just finished two weeks of collaborative meetings with parents of students with Personalised Plans. These were wonderful opportunities to share our reflections on their learning and together set new goals. We really appreciate the way in which you actively participated in your child's learning. Any other parents who would like to meet with their child's teacher please ring or email the school office and organise a time.

Kindy, Year One and Year Two had a great surprise when they were able to watch the "Alice in Wonderland" movie. Lots more fun to come with our Mad Hatter's Tea Party!!

Stage 3 headed off to Camp with enough luggage to last them three weeks!! They were so excited and couldn't wait to try all the fun activities. Thanks to Mrs Pennay, Mrs Kemp, Ms Saaib and Ms Bailey for being wonderful chaperones and missing out on a good night's sleep.

Netball clinics begin today for the Primary students. This is great preparation for our Gala Days later on in the term.

We can't wait to see you at our Mothers' Day liturgy next Friday. Remember to complete the form so that you are COVID registered and we can put out enough chairs.

Dates for Celebration of Learning afternoons will be advertised next week.

Looking forward to seeing you,
Trish

Term 2 Whole School Focus Scripture . . .

As we continue to celebrate the Easter Season and fill ourselves with the joy of the Risen Christ, we take the time to reflect and wonder about our own journeys. We accompany many on this journey as we listen and walk side by side to face challenges and celebrate successes. Our students this term will use the Gospel story of the Journey to Emmaus to discover the different journeys we take.

On the Road to Emmaus - Luke 24:14-35

That same day two of Jesus' followers were going to a town named Emmaus. It is about seven miles from Jerusalem. They were talking about everything that had happened. (While they were discussing these things, Jesus himself came near and began walking with them. They were not allowed to recognize Jesus.) Then he said, "What are these things you are talking about while you walk?"

The two followers stopped. Their faces were very sad. The one named Cleopas answered, "You must be the only one in Jerusalem who does not know what just happened there."

Jesus said to them, "What are you talking about?"

The followers said, "It is about Jesus of Nazareth. He was a prophet from God to all the people. He said and did many powerful things. Our leaders and the leading priests gave him up to be judged and killed. They nailed him to a cross. But we were hoping that he would free the Jews. It is now the third day since this happened. And today some women among us told us some amazing things. Early this morning they went to the tomb, but they did not find his body there. They came and told us that they had seen a vision of angels. The angels said that Jesus was alive! So some of our group went to the tomb, too. They found it just as the women said, but they did not see Jesus."

Then Jesus said to them, "You are foolish and slow to realize what is true. You should believe everything the prophets said. They said that the Christ must suffer these things before he enters his glory." Then Jesus began to explain everything that had been written about himself in the Scriptures. He started with Moses, and then he talked about what all the prophets had said about him.

They came near the town of Emmaus, and Jesus acted as if he did not plan to stop there. But they begged him, "Stay with us. It is late; it is almost night." So he went in to stay with them.

Jesus sat down with them and took some bread. He gave thanks for the food and divided it. Then he gave it to them. And then, they were allowed to recognize Jesus. But when they saw who he was, he disappeared. They said to each other, "When Jesus talked to us on the road, it felt like a fire burning in us. It was exciting when he explained the true meaning of the Scriptures."

The two followers got up at once and went back to Jerusalem. There they found the apostles and others gathered. They were saying, "The Lord really has risen from death! He showed himself to Simon."

Then the two followers told what had happened on the road. They talked about how they recognized Jesus when he divided the bread.

Counsellor's Corner

Hello St Joseph's families

I thought we would start with a specific strategy to help build skills at problem solving and owning our own actions. When we are able to Stop and breath we can think and make a choice that will lead to success. A lot of students have seen this image in their classrooms and we have talked about it - so sharing this language might build their confidence in practicing problem solving at home and at school.

Being Safe and Respectful - Stop Think Do

Sometimes we just need a 5 second break so the air can settle and things can shift naturally, as adults we can often do this - we pause and think about what we are going to say. It is much harder for children, they are learning that they don't have to react, they are "toggling" their brains to regulate their emotions and to make choices that lead to more positive outcomes. We can help them practice this with a strategy called STOP THINK DO, the image below is one that children can have as a prompt -

Imagining a stop sign when your child has a big feeling bubbling up can give them the 5 second pause, in this time they can breathe to calm and think about the choice that can lead to a positive outcome.

Some children tell us they feel they are getting caught all the time, and we all know it is hard to "just not do the wrong thing" they are children and some of the most fun can lead to being caught out and getting in trouble. If they can practice stopping and think they can make a choice about whether it's worth it to: call out, put down others, tease, do cart wheels, pick up someone's slime or hide a lunch box. Is the time out worth it? Is it worth a call home?? Or could using STOP THINK DO mean no play will be lost??

Helping your child visualise the stop sign when they sense the big feeling will help them regulate their emotions and make more positive -safe and respectful choices.

Thanks, Miss Goode

School Fees

The Term 2 School Fee Statements are being posted out over the next week. Thank you to the families who have paid their Term 1 fees in full or are maintaining an approved arrangement.

If you have not paid your Term 1 fees please do so ASAP.

Head office will take over any outstanding accounts for collection and this may impact your financial status in the future.

If you would like to discuss payment of fees or make an arrangement to pay please contact Jenny Pendleton on 4726 4200.

Leaving St Joseph's

A term's notice (10 school weeks) in writing must be given to the Principal before the removal of a student or a full term's fees will be payable. The notice can be given any time during term for the next term.

Where appropriate notice has been received a pro-rata credit can be calculated based on a 40 week year.

One exception is that notice in writing will be accepted at any time during Term 4 in relation to the following years' enrolment i.e. the notice period of 10 school weeks will be waived in this circumstance.

Attendance

Did you know

Your child's best learning time is the start of the school day just a little bit late doesn't seem much but

He/she just missing,	That equals ..	Which is ...	and over 13 years of schooling that's ...
10 minutes per day	50 minutes per week	Nearly 1.5 weeks per year	Nearly half a year
20 minutes per day	1 hour 40mins per week	Over 2.5 weeks per year	Nearly 1 year
Half an hour per day	Half a day per week	4 weeks per year	Nearly 1 and a half years
1 hour per day	1 day per week	8 weeks per year	Over 2 and a half years

Our focus this term is not only on students' absenteeism but on those continually coming in late or continually leaving early as this disrupts not only their own learning but those of their peers. This term we will be sending letters out to those families and you may also receive a phone call or visit from an Attendance Family Liaison Officer.

We have supervision from 8:20am every morning. **If your child is late to school it is essential that they are signed in at the front office, with a valid reason given.**

We would like to thank all of those families getting their children to school before the bell. It's wonderful to see them all so settled in their lines ready for learning.

Mother's Day Stall and Liturgy

To all the Mothers,
Grandmothers,
Aunts, Sisters
and other women
in our lives that care for
us and love us
unconditionally,
Happy Mother's Day!

We will be holding a Mother's Day Stall on Wednesday 5th May. All children are welcome to bring a small amount of money to purchase items for their mother, grandmother, aunty, mother-figure, etc. If you can help throughout the day please email the school at stjosephskwood@parra.catholic.edu.au to advise.

Our Mother's Day Liturgy will be held on Friday 7th May at 2:15pm. Please complete the attached form to RSVP by Tuesday 4th May. <https://forms.gle/baHKtWT4dUrZ4hja6>

NAPLAN

In Weeks 4 and 5, Years 3 & 5 will undertake the Naplan Assessments. Please note the test schedule for Year 3 & 5 is as follows:

	Tuesday 11 May	Wednesday 12 May	Thursday 13 May	Monday 17 May
Year 3	Writing Assessment <i>Paper based assessment</i>	Reading Assessment <i>Online assessment</i>	Conventions of Language Assessment <i>Online assessment</i>	Numeracy Assessment <i>Online assessment</i>
Year 5	Writing Assessment <i>Online assessment</i>	Reading Assessment <i>Online assessment</i>	Conventions of Language Assessment <i>Online assessment</i>	Numeracy Assessment <i>Online assessment</i>

*All Year 3 Writing must be completed by Friday 14th May

**All other tests must be completed by Friday 21st May

Your child will need headphones/earbuds to be able to answer questions during the NAPLAN assessments. Please ensure your child has their headphones at school each day. If your child is away on a day when an assessment is completed, please do not worry as your child will be able to complete the assessment when they return to school.

Our teachers have been working with your child to prepare them for the different styles of questions, especially when undertaking these assessments online. All students are encouraged to practice sample NAPLAN tests for each test. This is a great way to gain confidence using the online environment. The practice tests can be located on the following link - <http://www.nap.edu.au/online-assessment/public-demonstration-site>

More information regarding NAPLAN online readiness testing can be found at:

<https://www.nap.edu.au/online-assessment> . Please feel free to contact Rochelle Borg if you require further information.

AEDC Survey - Kindergarten families

Playing our part to Build a National Picture of Child Health

In early 2021, our school, along with thousands of others across the country will begin preparations for the fifth Australian Early Development Census (AEDC).

The AEDC gives us a national picture of the development, health and well-being of children in their first year of full-time school. Since 2009, the census results have helped communities, schools and governments plan services and develop better policies to target support for children and families.

Children don't miss any class time, and parents/carers don't need to supply schools with any new information for the census. The AEDC gives us data at a school and community level - it isn't an assessment of individual children.

Some teachers have also noticed that completing the assessments made them more aware of the needs of individual children and the class as a whole and that the census results are useful in planning for transitions to Year 1 and developing class programs.

Participation in the AEDC is voluntary. Parents/carers don't need to take any action unless they choose not to include their children in the census. To find out more about the census and how communities are using the data to help children and families visit the AEDC website: www.aedc.gov.au If you have any questions, you can contact Mrs Reilly through the office.

Mad Hatter's Tea Party

Dear Parents and Caregivers,
The teachers at SJK are very excited to invite the children in Kinder, Year 1 and Year 2 to a Mad Hatter's Tea Party.
